SLANT BRUSH SRP \$10

**100% Synthetic Faux Squirrel Hair**

**Cruelty free and vegan approved!**

Super soft and perfect for sensitive skin.  
Bristles clean and dry quickly and do not shed.

**MULTI TASK:**

- Use brush to apply brow shadow through brows.
- Use brush to apply shadow as eye liner.

**ELKE'S TIP:**

Use our softest hair ever, faux squirrel brush to apply your brow shadow either wet or dry. Also, the thin cut makes brow shadow apply in hair like strokes, for more control in application.
