SPOOLIE BRUSH : SRP \$10

To brush through and groom brows.

**HOW TO USE:**

*Use the spoolie brush to soften brow shadow after brow makeup application. By brushing through, you can control the look and create a more natural looking brow. Brush can also be bent for a more angled application.*

**MULTI-TASK:**

- \* Use spoolie to brush through and tame brows.
- \* Use spoolie to comb through lashes after mascara application.

**ELKE'S BROW TIPS:**

Apply clear Brow Ware or Brow Tamer first to brows, and then pick up brow color with brush and brush through the brow for a custom brow tint.
